

## **STUDENT MINISTRY SCHOLARSHIP FUND APPLICATION**

The Student Ministry Scholarship Fund (the “Fund”) exists to financially assist with the tuition and course-related expenses of students who:

- (1) are members in good standing of King of Kings;
- (2) have graduated from high school (or will soon graduate, in the case of high school seniors who apply);
- (3) attend or will attend Christian schooling/training with the purpose of entering full-time vocational church work upon completion of the schooling/training.

Christian schooling/training is broadly defined to include degree and non-degree programs and synodical and non-synodical schools/training institutions that are not inconsistent with the mission, vision and values of King of Kings. Church work is defined at the discretion of the Committee administering the Fund, and examples of vocations that qualify as church work for purposes of the Fund include pastors, church workers, para-church professionals, teachers at Christian schools and missionaries.
